## Personal Profile:

I am in my second year of university studying towards an integrated Master of Mathematics degree. I am experienced in silver service and was awarded the director's choice award for excellence during my time as a retail host. I'm looking for an immediate part-time job to develop skills and valuable experiences while striving to provide excellent service.

## Education:

**University of York, YO10 5DD**  
(October 2022 - Present)  
Full-time study: Mathematics - MMath

**Edgbarrow Sixth Form, RG45 7HZ**  
(September 2020 - August 2022)  
A-level Grades:

- Mathematics: Edexcel: Grade A\*
- Further Mathematics: Edexcel: Grade B
- Physics: Edexcel: Grade B

**Easthampstead Park School, RG12 8FS**  
(September 2015 - March 2020)  
GCSEs

## Work Experience:

**The Lookout Discovery Center, Casual Explainer**  
August 2023 - Present  
Working in a small team, interacting with guests and presenting up the 60+ exhibitions in the centre

**Coral Reef Waterworld, General Assistant**  
August 2023 - Present  
In charge of maintaining guest facilities as well as testing the pool chlorine levels, hosting parties and keeping on top of communication using radios. Awarded employee of the month during the first month of work.

**Legoland Windsor UK, Retail Host**  
February 2022 - December 2022  
Working as a team in 12 shops across Legoland; trusted with opening/ closing stores, restocking and guest excellence. Awarded the director's choice award for excellence at work.

**Legoland Windsor UK, VIP Experience Host**
